Dear Ms. McIntosh:

Thank you for your response. We will plan on a meeting on April 14th at 1:30 pm at the Region 7 offices at 11201 Renner Boulevard

Lenexa, Kansas. The Regional office is located about 45 to 50 minutes from the airport. Please let me know who (including work addresses) will attend for Union Pacific as I will have to let the building guards know prior to the meeting. The visitor parking lot is quite a walk from the building entrance so if the weather is bad be sure and bring an umbrella. Let me know if you have any other questions. I look forward to meeting you on April 14th.

Julie M. Van Horn

Senior Assistant Regional Counsel

EPA, Region 7

Dear Ms. Van Horn,

Having looked at flight options, it would be best for us if we could start the meeting at 1:30 on the 14th.

Please let me know if that will work for you.

Best regards,

Carolyn McIntosh

Dear Ms. Van Horn,

We are available to meet with you on April 14th in the afternoon. Where will we be meeting? Please advise what time will work best for you.

Thank you for the extension for Union Pacific's response to the general notice letter.

Best regards,

Subject: General notice letter, Big River Mine Tailings Superfund Site, St. Francois County, Missouri, Bone Hole County Park

Dear Ms. McIntosh:

This will follow up our discussions regarding EPA's general notice letter to Union Pacific concerning a removal action at Bone Hole County Park. EPA is available for an in person meeting at the EPA Region 7 office on the afternoon of either April 13 or April 14, 2016, to discuss this matter. Please let me know which date is best. This will also confirm that

pursuant to your request EPA agrees to an extension of time for Union Pacific to respond to the general notice letter over to April 27, 2016.
